Required Federal Contract Provisions

TCHFH must include, in addition to the provisions needed to define a complete agreement, the following provisions in all contracts for which the supplies, services and/or construction was financed with federal funds depending on the value of the contract award:

For **all** contracts, the following provisions apply:

1. **Suspension and Debarment.** Requirement of certification from subcontractors regarding their exclusion status on the General List of Parties Excluded from Federal Procurement or Non-procurement Programs as set forth in regulation (24 CFR, Part 24).
2. Provisions to ensure that the subcontractor shall comply with the requirements of Executive Orders 11625 and 12432 (concerning **Minority Business Enterprise**), and 12138 (concerning **Women's Business Enterprise**) by using its best efforts to encourage the use of minority and women's business enterprises in connection with Contract Work.
3. A provision requiring compliance with Executive Order 11246, entitled "**Equal Employment Opportunity**," as amended by Executive Orders 11375, 13672, and 11478, and as supplemented in the Department of Labor regulations (41 CFR Part 60).
4. A requirement that contractors and sub-contractors, as a prior condition of being awarded the contract, certify that they will comply with The **Drug-Free Workplace** Act of 1988 (42 U.S.C. 701) and (24 CFR Part 24, Subpart F).
5. Provision for the rights of the Federal Government and Affiliate in any invention resulting from experimental, developmental or research work in accordance with regulations (37 CFR Part 401), "**Rights to Inventions** Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by HUD.
6. Requirement that the subcontractor comply with **Section 3** of HUD Act of 1968, as follows:
 - A. The work to be performed under this contract is subject to the requirements of section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
 - B. The parties to this contract agree to comply with HUD's regulations in 24 CFR part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
 - C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

- D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference and opportunities for training and employment shall be given to Indians, and (ii) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

For contracts valued at **\$10,000** or more, the following provisions also apply:
