

Directions to Use Volunteer Points

1. Log into your VolunteerHub account to check your points balance. Click on the grey box to go to the Habitat Online Store.

first time here? we're excited to show you our volunteer sign up system! You may have to create a new account in order to sign up to volunteer- it's fast, easy, and the instructions can be found [here](#)

our mission is to bring people together to create, preserve, and promote affordable homeownership and advance racial equity in housing.

volunteers help with everything from building and repairing homes, to assisting at our ReStores and doing community outreach events. Most positions require no experience. We have fun and meaningful opportunities!

Check out our open opportunities listed below!

2. Scroll down and click on the link to visit the online Habitat store.

Track your points.

Welcome to Twin Cities Habitat for Humanity's Points System!

You can **earn points by volunteering** in construction, at both ReStore locations, at our office or for other special events. To ensure you are receiving points when you volunteer, be sure to get signed in each time.

Cash in your points for great Habitat swag. Redeem points for t-shirts, water bottles, sweatshirts, coffee cups, socks, bags and more in our volunteer swag store! Your points will be updated in our store on the 15th of each month. The first month you earn points, you will receive an e-mail with your log-in information.

Visit the store here!

First Time Ordering? Using Your Volunteer Credits?

Before placing your order, please review our [How It Works](#) page to understand the ordering process and read our FAQ on using your volunteer credits.

HOW IT WORKS

First Time Ordering With Your Account Credits?

If this is your first time placing an order with us through the volunteer web store, welcome! You will want to sign into your new account using the login information that has been provided to you.

Your account is created for you in advance and loaded with your current total credits. Your credits will automatically be applied at checkout when you place your order. If you do not use it all in one order, that is okay! Any credits left over will stay saved to your account until the next time you order.

When you sign in for the first time you will be able to view your total credit amount listed at the bottom of the menu along the left side of the page (see image for reference). **If you have any questions on the credit amount listed or if something does not look correct, you will want to contact the Twin Cities Habitat for Humanity team.**

After you have signed in and confirmed that the credit amount looks correct, you will want to double check your billing and shipping address and make sure that it is current. You will find this information listed in

- Profile
- Quotes
- Purchases
- Designs
- Saved layouts
- Artwork Approvals
- Payment Required
- Payment history
- Statements
- Logout
- Account Credit
Credited \$1,250 USD
Remaining \$1,250 USD

After you have signed in and confirmed that the credit amount looks correct, you will want to double check your billing and shipping address and make sure that it is current. You will find this information listed in the menu along the right side of the page (see image for reference). **If your credit total will not cover the full amount, you will need to pay for the remainder of your order with a credit or debit card.** Your billing address will need to match the address associated with the card being used or the payment will be declined. This is a security feature that we use for all orders. Your items will not move into production until the total is paid in full.

If you have any issues with placing an order, please visit our [Contact Us](#) page. Give us a call or send an email and one of our team members will be able to quickly assist!
